

DART's Night Owl Shuttle Service

Do you usually ride the bus, but can't use public transit to get home from your job because the bus stops running before your shift ends? If you answered YES, try DART's Night Owl Shuttle Service!

DART First State and Rideshare Delaware in partnership with local employers is subsidizing a subscription transportation service that runs after regular bus service ends. The Night Owl Shuttle provides service to/from employer worksites.

Registering for the shuttle is easy! Just call Rideshare Delaware at 1-888- Ride-Match or visit <http://www.ridesharedelaware.org/>
